Ultra-Pro SWEEP & GO ♦ Cordless Sweeper

♦ Additional Features ♦

The easy out dustpan can be removed and emptied quickly and can pick up straws, bottle caps, popcorn and more.

The battery easily dislodges, and is plugged into a standard DC adaptor. You can charge it freely, or while the machine is docked.

A wall mounted docking station enables you to hang the machine anywhere, taking up little to no space.

The sweeper is powerful enough it can pick up items on low pile carpet as well as hard surfaces.

The clear, see-thru panel helps to visualize any debris stuck in the brush bar area.

With the push of a button, the lid opens easily to access the dustpan and brush.

♦ Dust Pan Capacity Is 17 Ounces ♦
